

Introducing the new SA MEPS Compliant Hybrid Wall Split FTYN71/ RYN71

Features

- **Titanium Apatite photocatalytic Air purifying filter**
- **Powerful operation**
- **LCD Wireless Remote controller**
- **Indoor unit ON/OFF switch**
- **24 hour ON/OFF timer**
- **Auto re-start after power failure**
- **Self diagnosis with digital display**
- **Anti corrosion treatment of Outdoor Heat exchanger fin**
- **Wide angle louvers**
- **Automatic operation**
- **Programme Dry function**
- **Auto fan speed**
- **Hot start**

Specifications

- **Rated Capacity Cooling – 7.0 kW**
- **Rated Capacity Heating – 8.0 kW**
- **Indoor air flow – 290 L/s (Cooling)**
- **Refrigerant type – R410A**
- **Operating Range Cooling – 10°C – 46°C**
- **Operating range Heating - -15°C – 18°C**
- **Indoor sound level – 46 dBA (High)**
- **Outdoor sound level – 52dBA**
