

Lopi™ 564HO GS Direct Vent Gas Fireplace

GREEN SMART™

Lopi 564HO GS - Diamond-Fyre™ Burner with Stone Media
Shown with Brushed Metal Shadowbox™ Face & Black Enamel Fireback Liner

Introducing this break through fireplace, the Lopi 564HO GS offers a choice of three different burner options; the high performance Ember-Fyre burner, the Dancing-Fyre burner or the contemporary Diamond-Fyre burner with a choice of Driftwood or Stones. The 564HO GS gas fireplace is sure to keep things warmed up year round with a heat output of 35Mj's and the ability to heat up to 158 square metres*. This high efficiency fireplace offers a turndown ratio of up to 71% (NG) or 79% (LPG). The 564HO also features close clearances to combustible mantles by incorporating "film cooling" technology, allowing for a more balanced look to the fireplace. The pyro-ceramic glass face enhances the radiant heat that ultimately warms the surfaces of your home helping assisting the high heating performance of this fireplace.
