* Extra air models are designed to have Braemar integrated refrigerated cooling added.

Braemar – Australia's leading ducted gas heating range

Proudly manufactured by Seeley International at its factory in Albury, New South Wales, Braemar has been keeping Australian families wonderfully warm for more than 50 years.

Braemar has a solid reputation for product innovation and "world firsts" and has released four new product ranges in the last 2 years alone, including:

- Five star (non-condensing)
- Six star
- Super-Six 6.8 Star* and
- **Now** the amazing 7 Star*

At Seeley International, we never stop innovating.
