1000, 1600

The most efficient panoramic fire

The Landscape fires will not only create a focal centerpiece for your room, they will also create a cosy environment. These impressive fires not only look great, but have an impressive heating capacity with an equally impressive star rating.

Both fires come in a range of stylish finishes and a full width glass viewing area to maximize the impact of the brilliant flame pattern. With full remote as standard, you have ultimate control over temperature.
