

36" Built-in Electric Firebox

Revillusion™ is a completely new way of looking at fireplaces, and changing the standard for electric. A clear view through the lifelike flames, to the full brick interior, captures the charm of a wood-burning fireplace. Enjoy the look of a fireplace cut straight from the pages of a magazine by choosing Revillusion™; clearly a better fireplace.

- Revillusion™ Flame technology - Flames are larger, brighter and more random, appearing from within the logs
- Mirage Flame panel – partially frosted acrylic panel is clearly better than a mirror, showing only dazzling flames and no reflections.
- ThruView Full-depth design
- 2kW heat output
- Mood lighting- customise the firebox glow with a choice of warm hues.
- Colour enhancement – adjust the flame base to red or blue.
- Realogs Plus – a full grate of life-size hardwood-cast logs, tiered for greater depth.
- Full Brick-surround firebox
- Brightness flicker
- Ambient light sensor
- Quick and easy installation
- All-season flames

Model	RBF36-AU
Wattage (watts)	2000
Volts	240
Amps	10
Dimensions (mm)	676h x 944w x 307d
Framing Dimensions	Refer to instruction manual
Heat Settings	2
Thermostat Control	Yes
Remote Control	Yes
Replacement Warranty	2yrs
