Spit Roaster Series

Spit Roaster BBQ
MODEL No. GSB100

Use as a barbecue grill or spit roaster
Can be used with propane gas or solid fuel
Grills included for versatile cooking
Vitreous enamel coated body
Robust design with wheels for easy moving
Powerful 18MJ/h stainless steel burner with piezo ignition
Combined control valve and regulator with hose
Includes 240V rotisserie motor with 1 piece shaft

Large Spit Roaster BBQ
MODEL No. GSB200

Use as a barbecue grill or spit roaster (grill plates sold separately)
Can be used with propane gas or solid fuel
Stainless steel body
Robust design with wheels for easy moving
2 x powerful 30MJ/h stainless steel burners with piezo ignition
240V rotisserie motor included with 1 piece shaft rated to 30Kgs
Lid doubles as a windshield
2 Baskets to hold heat beads

Deluxe Spit Roaster BBQ
MODEL No. GSB300

Unique design – meat is cooked in body of roaster, close to burners. This allows the lid to be closed while in use, creating an oven like roast.
Meat is lifted up to carving position for easy serving
Stainless steel body
Double skinned stainless steel hood
Robust design with wheels for easy moving
240V rotisserie motor rated to 70kg
Includes one piece stainless steel shaft, two prongs, front leg, rear leg and neck braces
Also includes 4 rotisserie baskets for chickens or small joints of meat
Complete with 4 stainless steel trays
Electronic ignition for easy lighting
Complete with hose & regulator
AGA certified
